Education/Professional Membership

Mr. Huon Soknymph is a General Manager of B2B Electronics. He earned his MBA (International Program) in General Management from Pannasastra University of Cambodia in 2008, and an MBA in Entrepreneurship and project management delivered by French Universities: Lille 1 (I.A.E*) et Lyon 2 at RULE in 2010 and successfully attained many oversea training courses on related fields. He is now pursuing PhD in Social Science at University of Cambodia, Phnom Penh, Cambodia.

Mr. Huon Soknymph is one of the first commercial arbitrators admitted to the National Commercial Arbitration Center (NCAC).

Current Position

General Manager of B2B Electronics and a listed Commercial Arbitrator.

Professional Experiences

Mr. HUON Soknymph is General Manager of B2B Electronics and a Commercial Arbitrator of National Commercial Arbitration Center. Prior to this career, he worked with Prudential (Cambodia) Life Assurance Plc, part of Prudential plc (United Kingdom), as Head of Customer Services and Policy Administration, and with Thai Samsung Electronics Co., Ltd as B2B Sales Manager. For over 10 years he worked for Cambodia International Airports where he was responsible for managing a portfolio of commercial activities and business development, as well as operations and quality management systems for ISO certification.

Mr Houn Soknymph has also worked in the education sector as a teacher and school manager and now as a lecturer and regular contributor on university courses.

He has sound knowledge and experience in commercial sales and business development, and achieved over 10million USD in annual non-aeronautical revenues at Phnom Penh and Sihanoukville Airports. He has more than 12-years of experiences in strategic negotiation, commercial contracts and marketing management. His excellent communication skills for staff management, customer services management, public relations and networking skills are great assets. Throughout his careers, he has also provided training courses on operations management and commercial sales management. He was a part of the team to secure and maintain ISO quality certification at Cambodia Airports.
