Current Position

President of the National Commercial Arbitration Center of Kingdom of Cambodia and Managing Partner of CAMLAW GROUP.

Professional Experience

He handles corporate and commercial services from highly complex transactions to minor licensing and compliance obligations. He advises on all aspects of commercial law, mergers & acquisitions and corporate finance in Cambodia and cross multiple jurisdictions. He advises lenders, borrowers and other personals in the manufacturing, banking and investing sectors amongst others:

- Drafting commercial agreements, including loan and financing arrangements, securitization, mergers and acquisitions and share transfers.
- Conducting due diligence on operating entities, assets and licenses.
- Obtaining key operating licenses, investment licenses and approvals and state concessions.
- Incorporation of operating entities including public and private limited companies, partnerships, branch offices and representative offices.
- Structuring, negotiating and executing project finance arrangements.
- Tax advice and compliance services.

He represents private investors, corporate clients and leading financial institutions in relation to banking and finance, trade, investment, private and commercial real estate transactions and tourism development projects. He has advised on a number of major transactions which include mergers and acquisitions, joint ventures, corporate restructuring and the provision of development financing for significant investment projects.

He acted as a consultant to the Housing Development Sector and other Development Agencies and Government and has participated in several consultative group sessions designed to define appropriate policy frameworks and strategies for the development and promotion of international financial services and investment initiatives.

Throughout his careers, he has built good relation with various government officers and professionals. He is proficient in the Khmer and English and fairly French. He is currently provides business consultation for many distinguished Korean, Chinese, Vietnam, Malaysian, Indian, Singapore and other international companies and firms in Cambodia and Southeast Asia. He has made valuable achievement in the legal field and enforcement of the first international arbitral award in the court of Cambodia.
